

# Linking Science and Policy for the Sustainable Use & Conservation of Biodiversity:

## A live 2-day panel discussion

3 - 4 November 2020 @ 3.00 - 5.00pm CET

### Day 1 (03/11): Using science to frame policy: experiences & needs of policymakers

**Basile van Havre**  
Open-ended WG for the  
post-2020 Global  
Biodiversity Framework

**Robert  
Watson**  
Former IPBES  
Chair

**Claudio Chiarolla**  
CBD Secretariat

**Karin  
Zaunberger**  
European  
Commission

**Graeme Cook**  
Scottish  
Parliament

**Hilde  
Eggermont**  
Belgian  
Biodiversity  
Platform

**Johannes  
Förster**  
Helmholtz Centre  
for Environmental  
Research

### Day 2 (04/11): Addressing the needs of policymakers: experiences & advice from researchers

**Juliette Young**  
Centre for Ecology &  
Hydrology (UK)

**Kai Chan**  
University of British  
Columbia (Canada)

**Nicole de Paula**  
Institute for  
Advanced  
Sustainability Studies,  
Potsdam (Germany)

**Philista Malaki**  
National Museums of  
Kenya (Kenya)

**Denise Matias**  
Institute for  
Social-Ecological  
Research (Germany)

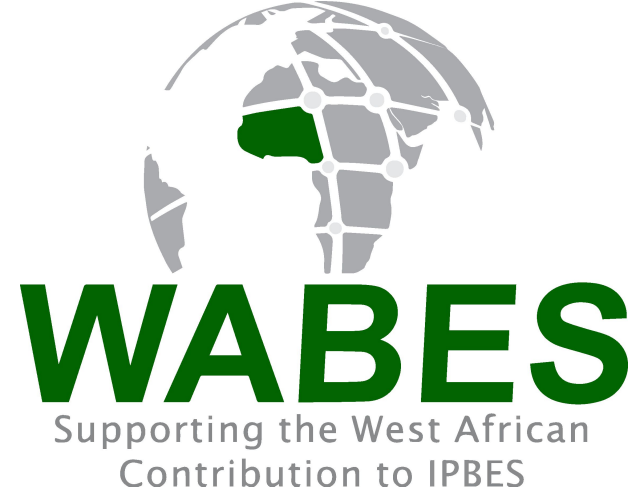

**Ingunn Storrø**  
Technical Support  
Unit (IPBES)
